EKB tenders gas lease

Bremen, January 31, 2022: EKB tenders a gas lease of 159.6 GWh for the period from April to September 2022. This is due to repair works of caverns K313 and K327 which are carried out by the cavern lessor.

The documents are available in the download directory of the homepage.

Company Information:

Etzel-Kavernenbetriebsgesellschaft mbH & Co. KG is a joint venture established between BP Europe SE, Ørsted and Gazprom Germania. At its Etzel location (in the Municipality of Friedeburg, close to Wilhelmshaven) the company operates a natural gas storage in underground caverns.

This plant operated by EKB Storage with currently nine underground caverns in operation, is one of the most efficient commercial storage facilities in Germany. Per hour 450,000 cubic meters of natural gas can be injected and 800,000 cubic meters withdrawn.
